

The CJD Support Group Network (CJDSGN) is a national non profit organisation offering support, information and assistance to patients, suffering with suspected CJD and other prion diseases, their family members and friends.

The primary goal of the CJDSGN is to be part of your support system and assist you in any way that we can.

For assistance and to receive a free information package for families including our DVD 'Understanding CJD'.

Call: National Toll Free Number 1800 052 466

Email: contactus@cjdsupport.org.au

Website: www.cjdsupport.org.au

We provide:

- 24 hour help line.
- Information Packages for families.
 - Information Packages including our handbook 'Caring for a patient with CJD' for health care professionals.
 - DVD – 'Understanding CJD'.
- A National education and awareness program including free presentations and in-services for hospitals and facilities.
 - An Annual National CJD Conference.
- We connect family members to share experiences and provide mutual support.
 - We assist families to fundraise to support CJD Research in Australia.
